When you sign up for an account for your organization you may specify one or more administrators. The administrators will have the right to configure the Services based on your requirements and manage end users in your organization account. If your organization account is created and configured on your behalf by a third party, it is likely that such third party has

assumed administrator role for your organization. Make sure that you enter into a suitable agreement with such third party specifying such party's roles and restrictions as an administrator of your organization account.

You are responsible for (i) ensuring confidentiality of your organization account password, (ii) appointing competent individuals as administrators for managing your organization account, and (iii) ensuring that all activities that occur in connection with your organization account comply with this Agreement. You understand that ASM is not responsible for account administration and internal management of the Services for you.

You are responsible for taking necessary steps for ensuring that your organization does not lose control of the administrator accounts. You may specify a process to be followed for recovering control in the event of such loss of control of the administrator accounts by sending an email to info@asmglobal.co.in, provided that the process is acceptable to ASM. In the absence of any specified administrator account recovery process, ASM may provide control of an administrator account to an individual providing proof satisfactory to ASM demonstrating authorization to act on behalf of the organization. In the event of such termination, all data associated with such user account will be deleted. We will provide you prior notice of such termination and option to back-up your data. The data deletion policy may be implemented with respect to any or all of the Services. We respect your right to ownership of content created or stored by you. You own the content created or stored by you. Unless specifically permitted by you, your use of the Services does not grant ASM the license to use, reproduce, adapt, modify, publish or distribute the content created by you or stored in your user account for ASM's commercial, marketing or any similar purpose. But you grant ASM permission to access, copy, distribute, store, transmit, reformat, publicly display and publicly perform the content of your user account solely as required for the purpose of providing the Services to you.

Hosting Location

The location of the cloud facility from which you are served depends on the mapping of your region/country to the available cloud facilities at the time of your sign-up. We may migrate your account or require you to migrate your account to a different cloud facility in the event of any updates to the region/country to cloud facility mapping at any point of time. You must not mask your internet protocol (IP) address at the time of sign-up since your region/country is determined based on your IP address. If, at any time, your actual region/country is found to be different from the region/country in our records, ASM may take appropriate action such as migrate your account or require you to migrate your account to the cloud facility corresponding to your region/country, or close your account and deny the Service to you. If you are served from a cloud facility outside your region/country and a ASM group entity has an office in your region/country, apart from storing the data in the cloud facility assigned to you, we may store a local copy of the data in your region/country.

Any content that you may receive from other users of the Services, is provided to you AS IS for your information and personal use only and you agree not to use, copy, reproduce, distribute, transmit, broadcast, display, sell, license or otherwise exploit such content for any purpose, without the express written consent of the person who owns the rights to such content. By making any copyrighted/copyrightable content available on any of the Services you affirm that you have the consent, authorization or permission, as the case may be from every person who may claim any rights in such content to make such content available in such manner. Further, by making any content available in the manner aforementioned, you expressly agree that ASM will have the right to block access to or remove such content made available by you if ASM receives complaints concerning any illegality or infringement of third party rights in such content.
